JOSJSK37HSL Top Plate
for a Holland Replacement

JOST International top plates offer additional safety, security, and significant time and money in overall product cost. Instead of rebuilding your old, worn-out Holland™ or Fontaine wheel, replace it with a brand new JOST fifth wheel. When you replace your old fifth wheel with a JOST option, you'll receive a new five-year warranty for the JOST product. We will also warranty any unused coverage remaining on your current bracket.
