IDEALEASE SAFETY SEMINARS

Due to the COVID pandemic, Idealease was forced to cancel their annual Safety & Compliance Seminars.

Instead, we will be presenting the subject matter in a series of one-hour webinars over the next few months. Here is the schedule:

August 12: Who is Required to Comply With the Federal Motor Carrier Safety Regulations

August 26: Qualifying a Driver of a Commercial Motor Vehicle

September 9: Keeping Your Driver Safe During a Pandemic

September 23: New Hours of Service Regulation Changes and the ELD

October 7: How the Drug and Alcohol Testing Regulations Apply to You as a Motor Carrier

October 21: Developing a Proactive Safety and Loss Control Program

Please go to the Idealease Website:
