

FULLY LOADED! Whatever load you're carrying behind you, we know you need to be able to see where it gets dropped off. We've improved visibility on our dump trucks with a sloped hood, one-piece wraparound windshield, and freshly designed and placed side mirrors. And our wide-track axles make it easy to maneuver and get right where you need to be at any work site.

Dump capacity options: 5 yards or 11-18 yards.

Come by today, and let Peterson Trucks be your full service trucks provider. With locations throughout Northern California and Oregon, we're here to serve you.
