

With dependable Cummins engines and industry leading Diamond Logic technology backing you up, the **MV SERIES** is the perfect base for our 2,000 gallon water trucks. Partnering with renowned body manufacturer Enovan, you can be sure that our water trucks are perfect for small scale dust control, compaction, and fire prevention.

**Call us today,** and let Peterson Trucks be your full service truck provider. With locations throughout Northern California and Oregon, we're here to serve you.
