

With dependable Cummins engines and industry-leading Diamond Logic technology backing you up, the **MV** and **HV SERIES** are the perfect base for water trucks. You can be sure that our water trucks are perfect for dust control, compaction, and fire prevention. Equipped with tanks by McLellan, Klein, and Enoven.

Tank size options:
2,000 gallon or 3,600-4,000 gallon.

Call us today, and let Peterson Trucks be your full service truck provider. With locations throughout Northern California and Oregon, we're here to serve you.
