The **Idealease/NPTC Safety and Compliance Seminar**, co-sponsored by Idealease, Inc. and the National Private Truck Council (NPTC), is the industry's leading source of information and training that fleet managers need to comply with regulations, understand the carrier analysis process, and prepare for FMCSA intervention and compliance reviews.

Using the regulations as an outline for the entire seminar, topics are presented in a logical sequence beginning with definitions, an overview of enforcement activities, and guidelines to develop your own safety program.
